BTS – WHO WE ARE AND WHAT WE DO

The British Thoracic Society (BTS) is the UK's leading professional membership organisation committed to improving the standards of care for people who have respiratory diseases and to support those who provide that care. We have over 3,000 members who join because they want to make a difference.

If you are a doctor working in respiratory medicine being a member of BTS is your way in to a variety of enhanced opportunities to progress in your chosen speciality. Visit our website to find information and advice including clinical information, guidelines, audit, and quality improvement. See our latest events for opportunities to develop skills while networking with other healthcare professionals. brit-thoracic.org.uk

By joining the Society you will become part of an organisation which is actively working to raise the profile of respiratory care and working with others to improve the care of people with respiratory diseases. We are committed to working with the public, patients and carers and other lung charities. We also work at national level with Royal Colleges and national governments throughout the UK so that we can achieve our goal of **BETTER LUNG HEALTH FOR ALL.**

Better lung health for all

SPECIALIST TRAINEES

We offer a very attractive three year fixed rate for new trainee members.

BTS membership gives you access to:

- Discount on an excellent range of courses annually, which are linked to the StR curriculum, including the BTS course for Preparation for the **Speciality Certificate Examination**, which is heavily discounted for BTS members.
- Exclusive access to BTS **e-learning modules** packed with practical advice, as well as **practice questions for the SCE**.
- Members' rates at the **BTS Winter and Summer Meetings**.
- The **BTS Speciality Trainee Advisory Group (STAG) is represented on BTS Council**. It holds an annual meeting for all during the Winter Meeting and has developed an excellent FORUM for sharing information, advice, new learning opportunities and so on.

MEDICAL STUDENTS AND PRE-SPECIALISTS /CORE MEDICAL TRAINEES

We have a very attractive offer of a £20 per year membership rate before you enter Specialist Training. You will qualify for all the above member discounts and access to our e-learning modules, EXCEPT for access to Thorax. We have special Medical Student prizes at our Winter Meeting and are looking at other ways to involve you in our activities.

I AM A CONSULTANT, GP OR SPECIALIST DOCTOR. WHAT CAN BTS MEMBERSHIP OFFER ME?

- **Discounts** on all of the above activities , plus the £20 ERS membership offer
- **Thorax** at the discounted member rate.
- Share your knowledge and experience with other respiratory professionals by joining one of the **BTS Committees or Special Advisory Groups or BTS Council**. Each year we ask our members to put their names forward for election.

HOW TO JOIN

Visit our website brit-thoracic.org.uk to apply online and for full details of the subscription fees, eligibility and payment options.
