Anonymous	Claire's sound is not great could she use a head set instead		0 Archive
Anonymous	We are doing face to face rehab in Leicester		3 Published
Host	Thanks for your question. The recordings (pre-recorded and live presentations) will be available for four weeks after the end of the course, but are not available for download.		0 Published
Anonymous	Is the SPACE manual available outside of UK? How to obtain? Cost ?		0 Published
Anonymous	thank you Dr Mann - Do you think there is evidence that people are more able to use tech over the pandemic time?		0 Published
Anonymous	Is training needed to administer SPACE MANUAL		0 Published
Anonymous	Will the slides in raw form be made available? ie without recordings?		2 Published
Anonymous	How is training progressed In these non digital Homebased models		1 Published
Anonymous	Thank you Dr Mann. I think baseline MRC dyspnoea scale will also effect people's preference to attend these sessions and the bias that you mentioned. Do you agree? Was this different in the arms in studies shown by yourself?		0 Published

Host	The slides won't be available in raw format, thanks for your question.	0 Published
Anonymous	What do you think about home based PR where the COPD population is from poor socioeconomic demographic, non English speaking and there is poor engagement with home based PR	0 Published
Anonymous	G	0 Archive
Anonymous	Any evidence about education competence improvements in home based vs centre based care?	0 Published
Anonymous	Given this evidence would the ultimate ideal be to offer digital, non-digital and centre-based PRG?	2 Published
Anonymous	What do you feel the best way to check compliance and how was this done in these studies?	0 Published
Host	Thanks for all of the questions. Sorry that we weren't able to address all of them. If your question hasn't been answered, we will include it in the discussion section of session 4.	0 Published
Anonymous	Are there any supports in the UK to help people engage in tech hardware or IT education to help support them?	0 Published
Anonymous	What exactly was the tele rehab intervention in the Hansen study ? And again re SPACE - Can SPACE online or manual Version be used outside of UK? What is the cost ?	1 Published
Anonymous	It would be helpful if the national audit collected data for alternative exercise test such as sit to stand	2 Published
Anonymous	Email spaceforcopd@uhl-tr.nhs.uk for space manual or web enquiries	0 Published
