

BTS SUMMER MEETING 2019

Feedback On-line and Certificates of Attendance

Having our **Conference Feedback Form on line** has proved very popular and has provided the organising committee with valuable feedback from a much higher number of delegates than on site paper feedback forms ever did. After the Summer Meeting all delegates will receive an email with a link to the on line survey and, following completion of the survey, a link for delegates to request Certificates of Attendance.

Certificates of Attendance will only be available via the BTS website, and will not be handed out on site in Manchester.

Questions During Sessions and Sli.do

Each session at the Summer Meeting will include time for participants to ask questions. Participants will, as usual, be able to ask questions from the floor, but we will also be able to take questions via Sli.do. Sli.do is an easy to use website or app for phones, tablets or laptops. You will be able to either ask your own questions via the app, or you can vote for the question/s that others have asked and that you would most like answered. **We recommend that you download the App to your phone/tablet before arriving at the venue, and then use the app as follows:**

- Download the Sli.do App at Google Play Store or Apple App Store, or type slido.com into your web browser.
- Enter the event code that will be displayed on the screen in the lecture theatre on the day.
- You can remain anonymous or enter your name, place of work and email address by clicking the person icon.
- Type the question that you would like to ask and then click send.
- In the app you will also be able to see questions asked by other delegates and vote for the one that you would most like to be answered by clicking the thumb icon.
- We will have a 'Digital Chair' in each session who will select the most relevant, interesting and/or most popular questions to be asked at the end of the presentations.

The Sli.do app will be available in the following sessions:

Thursday 13th June

- 9.30am – 11.00am: Self-management and pulmonary rehabilitation in COPD: are we blurring the boundaries?
- 11.30am – 1.00pm: Mini short course – Update on sleep in 2019 (part 1)
- 2.30pm – 4.00pm: Respiratory research: the how, why and when
- 4.30pm – 6.00pm: Oxygen: supply and demand

Friday 14th June

- 8.30am – 10.00am: COPD: find them, treat them, do it better
- 12.00pm – 1.30pm: Politics and persuasion: developing a service in the NHS
- 2.30pm – 4.00pm: The cure for tobacco dependency

Interactive Key Pad Voting

The sessions listed below may make use of an interactive key pad voting system. Speakers have been asked to include a number of questions in their presentations and delegates will have the opportunity to select appropriate answers. The results will be displayed on the main screen once answers have been selected. **100 key pads will be available for each session – so arrive early if you want a chance to join in!**

Thursday 13th June

- 9.30am – 11.00am: Joint BTS/BSTI thoracic imaging symposium: rare lung disease
(*Lecture Theatre C2*)
- 11.30am – 1.00pm: Clinical Grand Round (*Lecture Theatre C2*)
