BTS Winter Meeting 2019 - Thursday 5 December

If you are interested in the respiratory workforce, the following sessions will appeal to you.

8.00am – 9.30am, Gielgud
Preparation for a move to a consultant post: tips, tactics and potential opportunities – open session
Chair: Dr Graeme Wilson

This informal session will include presentations on:
- Preparing for your consultant interview, Dr Sabi Hippolyte
- What do in your first two years as a consultant, Dr Charles Sharp
- What is involved in working in a rural environment, Dr Elin Roddy

Followed by time for trainees to meet with consultants who may have vacancies in their centre, or who might be able to give helpful advice.

12.00pm – 1.30pm, Gielgud
Working in respiratory: a focus on workforce, service development, education and training in the respiratory specialty - open session
Chaired by Dr Graeme Wilson, Dr John Park, Dr David Smith

Joint meeting of the BTS Workforce and Service Development Committee, the BTS Education and Training Committee and the Regional Specialty Trainees Representatives. Open to all delegates.

Please note, you can only attend these sessions if you are a delegate at the Winter Meeting.
